

THE CURATOLO ARINI VARIETAL WINES

GRILLO 2023

Sicilia DOC

Light straw-yellow with greenish highlights, on the nose it has a rich bouquet of tropical fruits, with hints of pink grapefruit and Mediterranean herbs. On the palate it has a balanced structure with a pleasant freshness and a long sapid finish.

2023 Vintage

A harvest that we will not forget, unique and challenging. The weather conditions during the various stages of maturation of the vines, with abnormal rainfall in May and sultry heat in June and July, have put a strain on man's ability to intervene. This has resulted in a decrease in quantity of about 40% compared to previous years, in favor of excellent quality: white wines with an elegant aromatic complexity and red wines with a more marked identity.

The vineyard

The vineyards are located in contrada Chirchiaro, among the hills of the hinterland of western Sicily at an altitude of 500 m. above sea level on a siliceous and limestone medium textured soil. The vines are planted using a trellis system east-facing and the Guyot pruning system.

Winemaking

Manual harvesting was carried out on August 31st. Destemming, maceration for a few hours and soft pressing. After the fermentation at 15° C in stainless steel tanks, the wine is aged "sur lies" for 60 days prior to bottling.
